

write\_file\_trailer

```
graph LR; A[write_file_trailer] --> B[emit_marker]; B --> C[emit_byte];
```

A flowchart with three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'write\_file\_trailer'. A dark blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'emit\_marker'. Another dark blue arrow points from the right side of the second box to the left side of the third box. The third box is white with a black border and contains the text 'emit\_byte'.
